

IMPROVE YOUR GAME. PHIL JACKSON DID!

Phil Jackson holds 11 NBA titles as a coach, which is a record for all pro sports. He has the highest winning percentage in NBA history. He's never missed the playoffs. He is one of Forbes 7th most influential American.

And after six months of secret sipping, he's decided to publicly endorse Life Shotz.

FOR FREE. WITHOUT EVER BEING ASKED.

"We get a number of energy drinks provided by sponsors in this business. I chose Life Shotz because my doctor recommended it for my health. There are so many unknown additives to many of these drinks that after reading the ingredients I'm still wondering what's in it. Not so with Life Shotz."

In this business we are on the move for seven to eight months. We arrive at 3 a.m. many nights and the basketball staff is back on the move by 8 a.m. I've used Life Shotz for the past six months and found that drinking coffee becomes unproductive as it depletes my adrenals. I found Life Shotz a comfortable, reliable boost for mental and physical energy while reducing the effects of stress.

In this weird world of plastic bottled water, I like the fact that it comes in a powder and I can choose to use a reusable bottle and limit the amount of plastic I use.

Life Shotz has the juice to fire you up and ingredients to keep you on cue without derailing your system."
